

PRODUCT LINE

LUKIDA, LUKIDA ST

A new range of spherical surface mounted (LUKIDA) and suspended (LUKIDA ST) fixtures, which are fitted with a large decorative metal collar. We present unique new colors for these products as well – gray, sand, terracotta, and olive.

Base: LUKIDA – plastic with metal collar / ZETA ST – textile cable hanger with a metal collar, both with an LED system of our own design or with an E27 socket

Material of the lampshade: Handmade matt three-layer glass TRIPLEX OPAL

Shade size: Ø300 mm, Ø400 mm

Equipment: ON / OFF, DALI

Color design: white, black, gray, sand, terracotta, olive (the inside of the decorative collar is always white)
